

ONE LAST CHECK....

- Arrive at the hospital at the time you have been told by your doctor's office.
- It is important to notify your doctor if your child is sick during the last 7 days before surgery.
- Patients under 18 years of age must be accompanied by a parent or legal guardian. Patients over 18 years of age must be accompanied by an adult upon discharge. Under no circumstance will a patient be allowed to drive a motor vehicle upon discharge.
- Visitors are limited to two per patient.
- Plan to "spend the day" at the hospital on the day your child has surgery. If you have children at home or other responsibilities, please make the necessary arrangements.
- Follow the diet guidelines exactly.

If you have any questions or concerns, call your surgeon or the Same Day Surgery Unit at 878-7409.

Thank you for choosing the Same Day Surgery Unit of the Children's Hospital of Buffalo for your child's care.

It is our commitment to treat our patients and families with dignity and respect.

It is our goal to make this experience as safe and as comfortable as possible.

It is our hope to inspire confidence and trust in our patients.
