ANESTHESIA SERVICES

Anesthesia services for your child's surgery are provided by
CGF Anesthesia Associates, P.C.

Their office can be reached by calling (716) 878-7490.

This is a private practice, separate from the Women & Children's Hospital

We *STRONGLY* recommend that you contact them to see if they
participate with your insurance.

**Do not assume that if your surgery is covered by your insurance
that your anesthesia bill will be also!**

Please call CGF Anesthesia Associates to avoid unnecessary problems later.
